

Positive Direction Recovery Resources is currently seeking a Clinical Supervisor to join our Adult Behavioral Health Divisions in: Baton Rouge, Baker, Prairieville and Denham Springs.

Qualifications Considered: LAC (Licensed Addiction Counselor), CCS (Certified Clinical Supervisor), LPC or LCSW

Positive Direction Recovery Resources offers an IOP and OP program for adults with alcohol and or drug addiction disorders

Responsibilities include but are not limited to the following:

- Provide recovery based, person centered services.
- Develop comprehensive goal plans in conjunction with individuals and family members.
- Provide Service coordination, including coordinating and monitoring the activities of the individual's treatment team.
- Provide individual and group supportive interventions and symptom management.
- Act as a liaison and consult with community agencies and families to maintain coordination in the treatment process.
- Supervise non-licensed staff on-site.
- Provide treatment, rehabilitation, and support services in conjunction with other team members and with direction from staff with specialty training

Please call (225) 362-7164 to schedule an interview or email resume to: info@positive-direction.com
